

Now Your Office Customers Can Enjoy the Art of European Coffee

Made from only the finest Arabica beans and backed with 150 years of European tradition, Gevalia® gourmet coffee is – for the first time – available to your office customers!

Delivering a smooth, rich, full-bodied taste, Gevalia is fully supported by branded merchandising.

To fit all office coffee preferences, Gevalia comes in several varieties available in both regular & decaf, vacuum-sealed to lock in the flavor & ensure freshness.
